Marie

Hill Farmstead
Now in stock in Craftsbury

From Hill Farmstead:

"Marie-Ange (1907 – 1996) is our maternal great-grandmother, fondly remembered as Mémé. Born in Quebec, she emigrated to the Northeast Kingdom with her husband Edward J. Fournier. In her honor, we brew a beautifully soft, Unfiltered and naturally carbonated German-style Helles. Lightly hazy, naturally carbonated and truly enjoyable, this is the beer we dream to have shared with Marie."
